

Interested in Becoming a Member of Our Board of Directors? Here's What You Need to Know

Introduction

- Becoming a member of our Board of Directors is a prestigious and rewarding opportunity. Our board members play a crucial role in guiding the strategic direction of our organization and ensuring that we achieve our mission and goals. The CMH Board yearly cycle runs from September – June with no meetings in January or April.
- Directors are elected for a three-year term with a maximum of no more than nine consecutive or cumulative years.
- Non-Directors are appointed for a one-year term and may be re-appointed for successive one-year terms.

Responsibilities of a Director

As a Director of the Board, you will be expected to:

- Have the ability to commit the time for Board meetings, committee meetings and Board education.
 - Directors participate on the Board and at least one Committees of the Board.
 - Read materials in advance of meetings to be prepared to contribute to discussions
 - Contribute special expertise, skills and attributes
- Provide oversight and guidance on financial, operational, and strategic matters.
- work positively, cooperatively, and respectfully with all members of the Board and the management team.
- Represent the organization in the community and advocate for our mission and values, align public views with the Hospital's position.

Responsibilities of Non-Directors (Community Members) on Board Committees

As a non-Director of the Board, you will be expected to:

- Have the ability to commit the time required to perform committee duties and attend relevant education sessions.
 - Directors participate on the Board and at least one Committees of the Board.
 - Read materials in advance of meetings to be prepared to contribute to discussions
 - Contribute special expertise, skills and attributes
- Attend, participate and vote at meetings of the Board committee to which the member is appointed. Currently CMH has an Audit Committee, Quality Committee, Governance Committee, Resources Committee and Digital Health Strategy Sub-Committee.

- Represent the organization in the community and advocate for our mission and values, align public views with the Hospital's position.
- work positively, cooperatively, and respectfully with all members of the Board and the management team.
- Represent the organization in the community and advocate for our mission and values, align public views with the Hospital's position.

Qualifications

We are looking for individuals who possess the following qualifications:

- A strong commitment to our mission and values.
- Relevant experience and expertise in areas such as but not limited to Finance/Audit, Legal, Health System Integration, Risk Management, Digital Health
- Excellent communication and interpersonal skills.
- The ability to work collaboratively with other board members and staff.

Benefits

Serving on our Board of Directors offers numerous benefits, including:

- The opportunity to make a meaningful impact on our organization and the community.
- Networking opportunities with other professionals and community leaders.
- Personal and professional growth through leadership and governance experience.

Conclusion

We welcome your interest in joining our Board of Directors and look forward to the possibility of working together to achieve our mission. If you have any questions or need further information, please do not hesitate to contact Stephanie Fitzgerald at sfitzgerald@cmh.org

Further information on the duties of a non-Director and Director can be found on our website www.cmh.org under the Board Policies section. For your convenience they are also linked below.
