

Cambridge Memorial Hospital (CMH) is seeking a skilled **Full or Part Time Emergency Physician (EP)** to join our Department of Emergency Medicine. EPs will be responsible for both the acute and sub-acute areas of the department.

- Emergency Physicians (EP) would ideally hold an FRCPC or CCFP-EM designation
- Physicians without the EM designations, who have experience and comfort in emergency medicine will be considered

Positions are remunerated through a generous Alternate Funding Arrangement (AFA) with shadow billing as well. More details are available on request.

Shift & Department Details

CMH is a busy, medium-sized ED that sees around 110-150 patients per day (50,000 per year). There are 6 shifts daily and each shift is scheduled for 8-9 hours; all shifts start with duty in the acute region and subsequent transition to subacute. All new EPs will be scheduled in shift overlap with other physicians. Most shift-hours have a significant physician overlap system in place by default, especially during peak volume hours.

The ED is brand new, having opened only in 2020, with excellent colleague and specialist support. There is a 12-bed ICU that is covered 24/7 and internal medicine admits patients at all hours. Other admitting services include general surgery, orthopedics, OB/GYN, pediatrics, psychiatry, and oncology. There is regional coverage for urology, ENT, spine surgery, plastic surgery, and nephrology. The ED has x-ray and CT 24/7, ultrasound 15 hrs 7 days a week, and MRI 12 hrs per day.

Our 190-bed community hospital is equipped with modern diagnostic laboratory and imaging support services. Recent updates to our Labour & Delivery and Postpartum floor, as well as Surgical Suites, ensure a contemporary and comfortable working environment. CMH is classified as a Level 2C hospital, specializing in the care of mothers and babies from 34 weeks gestational age and above, handling between 1400-1600 deliveries annually.

As an affiliated teaching site with the Waterloo Campus of the Michael G. DeGroote School of Medicine, McMaster University, there are opportunities to engage with medical learners at various levels, including medical students and residents.

Located in southwestern Ontario, Cambridge offers a vibrant and growing community. Just minutes away from Kitchener-Waterloo and Guelph, and with easy access to major cities like Toronto, Hamilton, and London, Cambridge provides an excellent standard of living. Enjoy attractive residential areas, affordable single-family homes, an excellent selection of schools, proximity to five major universities, and a plethora of recreational activities.

Interested candidates are invited to forward their Letter of Interest and CV to Dr. Jas Gill, Chief of ED, through Nina Grealy in the Medical Administration office at Cambridge Memorial Hospital. We look forward to welcoming a new member to our team.
